The Casio Privia PX 330 is spectacular for the price. The touch is wonderful (a fellow accompanist played it and immediately said I got an awesome deal). If you don't need something with tons of complicated buttons and settings, this is the way to go. The piano sounds and keyboard feel is really top ...

I have had my casio PX-330 for a few years and only have one problem with it, which is my fault...a fried output. Ive never used it for MIDI purposes but recently Ive been progressing in songwriting and have been getting into production, so I need to start using it for MIDI. I have a program call...

casio px 330 | eBay

The Privia PX-330 is quite a gem among the sea of relatively inexpensive pianos. It competes directly with the Korg SP250, which it completely outshines in essentially EVERY regard, save for

the Korg's marginal superiority with its electric piano sounds. I won't bother saying what else; think about ...
