

### **Ima And Check Engine Light**

The IMA light and Check Engine light came on my 2004 Honda Civic Hybrid but car still runs perfectly with same gas mileage and battery seems to be charging as always. Does this mean that my Hybrid battery is going bad or could there be another problem?

### **The IMA light and Check Engine light came on my 2004 Honda ...**

Point out that little engine warning light, and this person will shrug, change the subject, or eagerly tell you that the Check Engine light is just a conspiracy by the big auto manufacturers to rip off drivers. But if you drive a hybrid, there are some warning lights you can't afford to ignore, literally.

### **Honda Hybrid IMA | What does the IMA light mean ...**

The IMA light comes on whenever there is a problem typically with the IMA (integrated motor assist) battery for the Hybrid operation. This can be cured by software updates sometimes, but can also be an indication the IMA battery is a problem.

### **ima light and check engine light on - 2001 Honda Insight**

Took it out to recharge it and upon reinstallation the IMA light came on. I think this is normal. The trouble is that the IMA light would not go off. Also the engine warning light was on. Moreover the red battery light would be on with the engine under 1,400RPM. I tried restarting the car a few times. In the initial check no IMA light would ...
